

Topical Non-Prescription Permission Form

Caregivers must give written permission before Crown of Life Preschool may administer non-prescription over-the-counter medication such as sunscreen, insect repellent, lotion, and lip balm. These items may not be kept in backpacks, nor are they required to have at school.

I hereby give Crown of Life Preschool my permission to follow manufacturer's directions and use the following:

- Hand sanitizer. Hand sanitizer will contain at least 60% alcohol. Alcohol based hand sanitizers that are packaged in containers that appear to be food or drink or contain food flavors or scents will not be allowed in the facility. Hand sanitizer will be provided by Crown of Life Preschool. Children will be supervised with using hand sanitizer. Hand sanitizer is inaccessible to children when not in use.
